MEDIA RELEASE

Dear Parents:

We frequently take photographs of students to promote Westshore Montessori School. Some of these photos may be used in promotional pamphlets and displays, newspaper advertisements, and on the school website, among other places.

On occasion, print and television media also come to the school to cover events. Your child's name and image may appear in newspapers and on television if he or she is participating in one of these events.

Please sign and return this form to the school office indicating whether or not you provide permission for your child's image to appear in the media or in any school publications.
